

Middle School Supply List

Below is a list of some supplies that middle school students will need for school. Students should bring most of these supplies with them on the first day of school. The materials should be easy to find at Target, Staples or other office supply stores. Some materials will be for each student’s individual use, while others will be shared by the class. The teachers might request additional supplies during the first few weeks of school. We look forward to seeing you in September!
